Off-Leash Dog Area Permit

Off-Leash Dog Area Rules and Regulations

For everyone’s safety and enjoyment, when you’re in an off-leash area you must follow these rules and regulations. You can bring up to three dogs at one time, but the rules apply to each.

- Have your dog’s valid permit with you when you’re at an off-leash area.
- Keep your dog up to date on distemper, parvo and rabies vaccinations and make sure your dog is wearing its rabies tag on its collar.
- Keep your dog in view and under control at all times.
- Close the gate as you enter and exit the area, and leash your dog when you’re outside the area.
- Carry a leash and leash and remove your dog at the first sign of aggression. You are responsible for the behavior of your dog and for any injuries or damages it causes to people or other dogs.
- Never bring your dog if it’s sick or in heat.
- Never allow your dog to dig holes.
- Properly pick up and dispose of all dog waste. Failure to do so could result in fines up to \$120.
- Keep a watchful eye on children at all times.
- Keep out of ponds or water areas; they for dogs only.
- Never use animals — dead or alive — for any purpose.
- Never use ammunition or devices that use explosive forces to propel retrievable objects.
There is one exception to this rule. At the off-leash area at East Branch Forest Preserve, you may — for dog training purposes only and with extreme caution — use blank ammunition or devices that use explosive forces to propel retrievable objects.
- Follow all Forest Preserve District of DuPage County ordinances, state statutes and administrative orders. The Forest Preserve District may modify its off-leash dog area rules and regulations at any time.

By signing this application, I agree to present my permits for inspection to a Forest Preserve District of DuPage County agent if asked. I also agree to abide by the above rules and regulations while in the off-leash dog areas. The information I’ve provided on this application is true. I understand that if I supply false information or do not comply with the above rules and regulations the Forest Preserve District of DuPage County may fine me or revoke my permit without refunding my permit fee.
