Help us launch more kayaking fun!

If you love exploring the great outdoors from the water and would like to help others experience that same excitement, please consider making a donation with the Friends of the Forest Preserve District to fund the purchase of one of two Kay-aKcess ADA-accessible docks needed at the Forest Preserve District of DuPage County.

One of the great parts of kayaking on open water is the freedom it provides. To allow paddlers of all abilities to experience this aspect to the fullest, the Friends is working with the Forest Preserve District to install Kay-aKcess docks at the rental areas at Blackwell and Herrick Lake forest preserves.

These specially designed floating docks comply with ADA Standards for Accessible Design and feature overhead grab bars and adjustable platforms that allow any kayaker to safely launch without assistance. A generous \$20,000 donation will allow the Friends and the District to purchase one dock, which District staff will install.

Your support will include:

- Your logo on a recognition plaque on the dock
- Recognition in a Friends of the Forest Preserve District press release
- Recognition in 38,500 copies of The Conservationist

© Kay-aKcess

- Recognition on the Friends' and Forest Preserve District's Facebook and Twitter pages
- Recognition on the Friends website

If you wish, however, you may keep your donation anonymous.

If you would like more information on making a tax-deductible contribution to the Friends, a 501(c)(3) nonprofit organization, please contact the group at (630) 933-6400 or fundraising@dupageforest.org. You can also contribute directly to the project at dupageforest.org/donate.

The Friends of the Forest Preserve District of DuPage County is the nonprofit fundraising arm of the Forest Preserve District of DuPage County.
