

Mobility and Sensory Supports

Instructions

Please read the following carefully before submitting your form.

- Visit dupageforest.org/about-us/accessibility/supports for information on each item. Note that certain sites only offer certain supports.
- You can make requests up to three business days in advance, but reservations are not final until we send you a confirmation email.
- Forest Preserve District staff cannot help with transfers. If you require assistance, please bring a companion.
- If you're using equipment at Fullersburg Woods, St. James Farm, or the DuPage Wildlife Conservation Center, you can leave your personal wheelchair at the front desk. Other sites do not offer this option.
- You can use equipment at some locations without a reservation, but availability is not guaranteed.
- We will do our best to respond to your request within 48 business hours. If you have questions, contact our accessible recreation coordinator at 630-933-7667 or fpdaccessibility@dupageforest.org.

You can request mobility and sensory supports one of three ways:
