## Rules and Regulations and Waiver

Please read this information carefully. It includes releases of liability and waiver of legal rights and deprives you of the ability to sue certain parties. By checking the boxes and providing your name and the date, you acknowledge you've read and understood all of the text.

### Rules and Regulations

For everyone's safety and enjoyment, you must follow these rules and regulations, which the Forest Preserve District may change at any time.

- If you're 16 or older you must carry and display a permit when using the range and present it to a Forest Preserve District agent for inspection if asked. Younger archers do not need permits but must have adult supervision. To determine if a supervising adult needs a permit, call Visitor Services at 630-933-7248.
- Ranges are for archery use only, and use is first-come, first-served unless someone obtains exclusive use from the Forest Preserve District via written request.
- Never use crossbows, broadhead points, or aerial targets or devices. (You can only use a crossbow if you qualify under the Americans with Disability Act and include a copy of your disability ID card with your permit application.)
- Always walk in the archery range. Never run.
- Do not move to the shooting line until the range is clear or someone gives the proper whistle command.
- Keep your arrows in a quiver until you're ready to shoot.
- Only point arrows at the ground or your target.
- Shoot only at your target. At the interactive range, shoot only at the target that's the same color as the zone you're shooting in (green, yellow or red).
- Do not advance to the target until someone gives the all-clear or the proper whistle command. Additionally, at the interactive range, do not shoot if a flag is deployed on any of the bow racks. The flag's a signal someone is retrieving arrows.

By checking the box below I agree to abide by these rules and regulations as well as all Forest Preserve District ordinances and administrative orders and state statutes. I understand that the Forest Preserve District may fine me or revoke my permit without refunding my permit fee if I supply false information on this application or fail to comply with any rules, regulations, ordinances, orders or statutes.

**I have read and agree to the archery range permit rules and regulations.**
