March 19, 2020

Members of the Board of Directors Friends of the Forest Preserve District of DuPage County Wheaton, Illinois

We have audited the accompanying financial statements of the Friends of the Forest Preserve District of DuPage County (a nonprofit organization), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, cash flows, and functional expenses for the year ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Friends of the Forest Preserve District of DuPage County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Friends of the Forest Preserve District of DuPage County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Friends of the Forest Preserve District of DuPage County, as of December 31, 2019, and the changes in its net assets and its cash flow for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Accordingly, contributions have been recorded for the estimated fair value of these services of \$13,012 for the year ending December 31, 2019. These amounts have been included as in-kind revenue and management and general expenses of the Statements of Activities. The Friends also receives donated services from a variety of unpaid volunteers assisting the Friends in its programs.
