# OWL BE HOME

## Make an Owl. Give an Owl.

### DECORATING TIPS

Cut out the different parts from pieces of felt. (If you don't have felt, you can use paper.)

Decorate your owl with felt, thread, ribbon, buttons, beads, anything that inspires you!

### WE ALL ♥ OWLS!

That's why the Friends of the Forest Preserve District, a nonprofit 501(c)(3), is asking you to make an owl to spread good cheer! While many of us are practicing social distancing these days, our Willowbrook Wildlife Center — the home of Andrés (great horned), Juno (barred), Ayasha (screech) and other permanently injured native owls — is still doing its part to care for orphaned, injured and sick native animals. **Here's how you can help!**

#### Make an Owl. Give an Owl. Show Your Care.

1. Give one to a family member, friend or neighbor!
2. Mail one to the development team at Friends of Forest Preserve District of DuPage County at 35580 Naperville Road in Wheaton, 60189. We'll collect them all to share with Willowbrook staff, volunteers and donors!
3. Take a pic, and send it by message to [facebook.com/dupageforestfriends](https://www.facebook.com/dupageforestfriends).
4. Make a donation to support wildlife at [dupageforest.org/donate-to-willowbrook](https://dupageforest.org/donate-to-willowbrook).
