RULES AND REGULATIONS

Most forest preserves are open one hour after sunrise until one hour after sunset. Basic information on regulations and permits is included in this guide. The Forest Preserve District's complete General Use Regulation Ordinance is posted at most preserves and at dupageforest.org/about/rules-regulations. The following are a few prohibited activities:

Having or consuming alcohol

Littering (Please use the trash and recycling bins.)

Operating motorized vehicles off-road (This includes all-terrain vehicles, snowmobiles, and motorcycles.)

Feeding, hunting, trapping, or collecting animals or removing any natural resource

Releasing any pet, wild or domestic animal, or part of any plant

Dumping debris such as grass clippings, leaves, or other landscaping materials

Stapling, pinning, tacking, nailing, taping, tying, or otherwise attaching signs or decorations to trees, shelters, or other structures (You can have them, but they must be free-standing.)

Having or using paintball guns, air rifles, or pyrotechnics, such as fireworks and rockets

Creating or having ground fires (You can bring your own grill, though, and use the hot-coal disposal bins.)

CAMPING: FAMILIES

Permit needed. Fees below. Reservation info on Page 3.

BLACKWELL

Sites for tents, trailers, and motor homes are available Friday and Saturday nights May – Columbus Day weekend with some extended holiday weekends. All have 20, 30, and 50 amp electricity, but none have sewage or water hookups. Each has a gravel parking pad, fire ring, and picnic table and is close to portable toilets, running water, and trash and recycling containers.

There’s a shower house with flush toilets, and for campers with RVs there’s a water filling station and a dump station for self-contained waste systems. Firewood is \$7 per bundle with cash or credit card. (Outside firewood is not allowed.)

Permit holders must be 21 or older and remain on-site all night. Alcohol is prohibited. You can bring dogs but must stay with them at all times, keep them leashed and quiet, and pick up any pet waste.

Nonresident	\$30

Summer Camps

We have a great lineup of camps for kids entering first through eighth grade, many focusing on science, technology, engineering, and math and all guaranteeing small groups with a focus on social distancing.

With plenty of time for team-building, exploration, and play, kids might not realize they’re firing up new neurons as they’re making new friends!

FISHING

MOST FOREST PRESERVES

You can fish on most lakes, ponds, rivers, and tributaries, many of which are stocked with bass, pike, walleye, and other species.

If you're 16 or older and not legally disabled, you must carry a valid Illinois fishing license (an inland trout stamp, too, if you're fishing for trout).

You can ice fish but at your own risk; the Forest Preserve District does not monitor ice conditions. As a guideline not a guarantee, a minimum of 4 inches of ice is recommended. You can fish up to two holes at one time, but each needs to be under 10 inches in diameter.

Regulations, depth maps, and creel limits for 31 lakes are in the Forest Preserve District's *Fishing Guide*.

GOLF

Fees, tee times, exclusive online specials, and more are at DuPageGolf.com.

THE PRESERVE AT OAK MEADOWS • MAPLE MEADOWS • GREEN MEADOWS

The Preserve at Oak Meadows features a practice facility and 18 holes of world-class golf set within 288 awe-inspiring acres of restored prairies, woodlands, and wetlands. Honors include the Green Star Award from *Golf Digest* and the Renovation of the Year award from *Golf Inc.* New in 2021, the clubhouse features the Greenway Tap and a gathering room with floor-to-ceiling windows for hosting meetings and special events.

The 18-hole Maple Meadows features a modern combination of links and prairie design. The clubhouse has banquet space perfect for golf-outing gatherings, and professional event planning is available.

Green Meadows is a nine-hole gem with traditional parkland styling.

SNOWY FUN

Sledding and Skating

MOST FOREST PRESERVES

You can sled and skate at most forest preserves, but the Forest Preserve District does not monitor conditions, so you do so at your own risk. As a guideline not a guarantee, a minimum of 4 inches of ice is recommended for any ice activity.

Snowtubing Fees below.

BLACKWELL

On weekends and school holidays December – February when there’s 3 or more inches of snow on Mount Hoy, take a fun 800-foot ride down the hill. It’s open 10 a.m. – 4 p.m. and rentals end at 3:30 p.m., although the hill may close due to extreme cold or severe weather. Pay with cash or credit card. Only Forest Preserve District inner tubes are allowed.

SELECT FOREST PRESERVES

Thinking about having your special event – wedding, 5K, photo or movie shoot, fundraiser, speech, etc. – at a DuPage forest preserve? Then you’ll need a special-use permit.

Fees vary by event type, location, staff requirements, group size, and other factors.

things to do

TRAILS

MOST FOREST PRESERVES

DuPage forest preserves have 166 miles of trails for hiking, jogging, and running, and most allow biking, horseback riding, and cross-country skiing.

Bikers should ride on the right (single file when in groups) and announce “passing on your left” when doing so.

Approach horses slowly, and allow extra room. Never pass a horse on a bridge, which can make even an experienced animal nervous.

The Forest Preserve District grooms over 80 miles for skiing when weather allows. If you’re a classic skier, please use the edge of the trail. Freestyle skiers and other visitors should stay in the center and avoid stepping on set tracks.

If there’s plenty of snow and you’re a musher, you can use the West Branch DuPage River Trail, Bobolink Trail and connector trails near McKee Marsh at Blackwell and the Thunderbird Trail at Greene Valley. During the rest of the year, you can use wheeled carts under 4 feet wide on any trails that allow biking.

Maps for 25 preserves are in the Forest Preserve District’s *Trails Guide*.
