## Contents Checklist

Please make a copy of this list before using it.

### Activity Binder

- 1. Small Fossil Investigation
- 2. Geological Timeline
- 3. Isotasy
- 4. Geobit 1 Exotic Rocks
- 5. Geobit 2 End Moraines
- 6. Geobit 5 Illinois' State Fossil
- 7. Geobit 6 The Trilobite
- 8. Geobit 10 Plate tectonics: Mysteries solved!

### Loose

- Specimen 29. Giant Beaver skull replica
- Specimen 30. Beaver skull
- Specimen 31. Musk Ox nasal bone fossil
- Specimen 32 Woolly Mammoth humerus bone fossil
- Specimen 33. Sabertooth cat canine tooth replica
- Specimen 35. Mastodon tooth replica
- Specimen 36. Woolly Mammoth tooth replica
- Fold-out case of magnifying lenses (9)
- Wood blocks (2)
- The Book of Life: Fossils*

### Display Box A

- Specimens 1A.—29A. Brachiopods
- Specimens 30A.—35A. Horn Corals
- Specimen 162. Brachiopod

### Display Box B

- Specimens 1B.—12B. Trilobites
- Specimens 25B.—36B.

### Box 1: Precambrian Times

- Basalt
- Granite
- Stromatolite

### Box 2: Silurian and Devonian Times

- Specimen 4. Trilobite replica
- Specimens 5, 6, 7. Trilobite (*Calymene*) fossil
- Specimen 8. Coral (*Favosites*) fossil
- Specimen 9. Coral (*Halysites*) fossil
- Specimen 10. Coral fossil
- Specimens 11, 12, 13. Crinoid fossil
- Specimens 15 & 68. Brachiopod fossil

### Box 3: Mississippian and Pennsylvanian Times

- Specimen 16. Schizoblastus fossil
- Specimen 17. Crinoid (*Eutrochocrinus christyi*) fossil
- Specimen 18. *Archimedes* bryozoan fossil
- Specimen 19. Horn coral fossil
- Specimen 20. Coal coral fossil
- Specimen 21. *Calamites* stem fossil
- Specimen 22. *Lepidodendron* bark fossil
- Specimen 23. *Pecopteris unita* fern leaf fossil
- Specimen 24. *Annularia gailoides* leaves fossil

### Box 4: Cretaceous, Oligocene, to Recent Times

- Specimen 25. Mosasaur flipper bone fossil
- Specimen 26. Ammonite fossil
- Specimen 27. *Belemnatella* belemnite fossil
- Specimen 28. North American Rhino wrist fossil
- Specimen 34. Clovis spear point
- Specimen 181. *Spinosaurus aegypticus* tooth fossil
